

Day-care, Boarding & Walking

What to bring for your stay with eWoof...

Thank you for choosing eWoof. To help you pack what you need for your dog's visit with us, we have provided a checklist for your convenience.

Please remember to make full payment before your dog's visit and to return completed forms, informing us of all relevant information to ensure their comfort and safety.

Items	✓
Food - ensure you have enough, and a little extra, for the full duration of stay	
Food Bowl and measuring cup if applicable	
Old towel	
Coat for cold or bad weather	
Car harness or other safe method of car restraint	
Lead (in good condition)	
Bed and / or crate for overnight boarders	
Optional	
Grooming tools, brushes etc if required for your breed	
Treats	
Medication, be sure to sign the medication consent form if required	

Please remember that by law your dog must wear a tag with your name, address and contact number. If you do not use one for any reason, your dog will need a collar with a tag while staying with us.

Your dog may enjoy playing with toys, which we will supply but if you really want to leave something with them, please consider that other dogs will also have access to them and may be more destructive. We strongly advise that you keep your favourite toys at home as we cannot confirm they'll be returned in one piece!
