

## Terms and Conditions

The Terms and Conditions set out an agreement between you, 'the Owner' hereafter referred to as 'You' and 'eWoof Day-care, Boarding & Walking' hereafter referred to as 'eWoof'. This agreement covers all of our Services: day-care, home-boarding and dog walks.

### Daycare and Boarding

1. You agree to an introductory meeting to allow eWoof to meet your dog and discuss aspects of care and also to introduce them to our resident dog. This meeting will take place in our home by arrangement and is undertaken free of charge. For new Boarding dogs, a trial overnight stay will be required (charged at our standard Boarding rate). New day-care customers will be offered a permanent place after a successful first trial day.
2. For day-care guests we will reserve a regular slot for you on your chosen day(s). These day(s) will be exclusively reserved for your use on an ongoing basis until you notify us otherwise. Days are therefore chargeable whether used or not.
3. For AD HOC day-care guests (legacy service - no longer offered to new customers), spaces are offered upon request if available, but are not reserved on a permanent basis, even if your dog has been able to attend on a specific day for a period of time. You may request and book future ad hoc dates subject to availability but once they are booked, the day is chargeable whether used or not. Cancellation timescales and charges apply, as outlined in Section 20.

You may request and confirm the dates you need up to 2 weeks in advance and cancel up to 1 week before the required date, without charge.

**NB - availability of future days will change regularly as new REGULAR daycare guests join us from time to time, other Owners request ad hoc dates, or we accept a BOARDING guest.**

### Health & Protection Against Disease

4. We are required under our License, to ensure that all dogs are up to date with current vaccinations (kennel cough is not required). They must also be free from worms and fleas before being placed with eWoof. We do accept titre testing as acceptable proof of immunity. All primary vaccinations or course of vaccinations must be completed at least 2 weeks prior to any daycare or boarding. We are unable to accept any puppies that has received initial vaccinations within 2 weeks of the date they are due to stay with us. We reserve the right to decline to accept any dog that arrives for boarding looking visibly unwell and no refund will be given if declined.

5. You agree you will be handing your dog over to eWoof in good health. Any current illnesses or ailments will be disclosed and any medication for such ailments will be supplied and detailed on the Medication Permission form. If any illness develops or has not been disclosed upon drop off and it appears to be or is diagnosed as contagious, you or your emergency contact will be asked to collect your dog with immediate effect. No refund will be given under these circumstances. A dog may only return to eWoof for the remainder of the booking if their vet has deemed any illness as no threat to persons or dogs. If any changes to your dog's health occur between the time of booking and commencing service with eWoof you must ensure that we are informed of these changes.
6. eWoof accepts entire males. We are unable to accept bookings for unspayed bitches unless you are prepared to sign a waiver stating that you accept full responsibility for unplanned mating during daycare or boarding. Under no circumstances can we board a bitch in season and should this happen during a stay with us, you or your emergency contact will need to collect your dog immediately. If this is not possible we will relocate your dog to a local kennel. We may at our discretion accept unspayed bitches as puppies where the intention is to have them spayed at the appropriate age.

## Service Times

7. For **day care** you may drop your dog off at an agreed time from 8am and collect your dog at an agreed time before 6pm on the same day.
8. For **overnight boarding**, the daily boarding rate covers the time your dog is dropped off on the first day of stay (from 8am) up until 10am the next day. Any subsequent stay after 10am on the day of collection is charged at the full standard day care rate.
9. If your dog is collected before the pre-agreed departure date there will be no refund.

## Emergencies

10. **You must have prior consent from your nominated emergency contact** and they must be willing and available to take your dog if required. You understand that the alternative is that your dog will be moved to a kennel if they refuse to collect your dog.
11. In the event of serious accident or illness at eWoof, emergency cover will be arranged for your dog if possible. This will be done with the involvement of you or your emergency contact wherever possible.
12. Your emergency contact will be asked to take over care for your dog in the event of any emergency or if your dog displays behaviour that means they can no longer be cared for. These behaviours may be, but are not limited to, aggression, separation anxiety, anti-social behaviour, toileting or destructive behaviour in our home. Refunds will not be given under these circumstances.
